Wisconsin wines are as diverse as they come. From traditional grape varietals to fruit wines, meads (honey wines) to ciders, each winery has something unique to offer. Wineries are located in every corner of the state, and most offer tours that are as unique to each winery as the wines they make.

Visiting each winery is the perfect way to truly experience Wisconsin's incredible variety of wines. Take a step away from the ordinary, meet the winemakers, see the vineyards and orchards, tour the wineries and—best of all—taste the wines! Eclectic, fun, scenic, full of history and personality, you'll love visiting Wisconsin's independent wineries while enjoying the benefits of being a **Wisconsin Wine Enthusiast!**
